

UMass Amherst POLY/PMSE Student Chapter

2024-2025

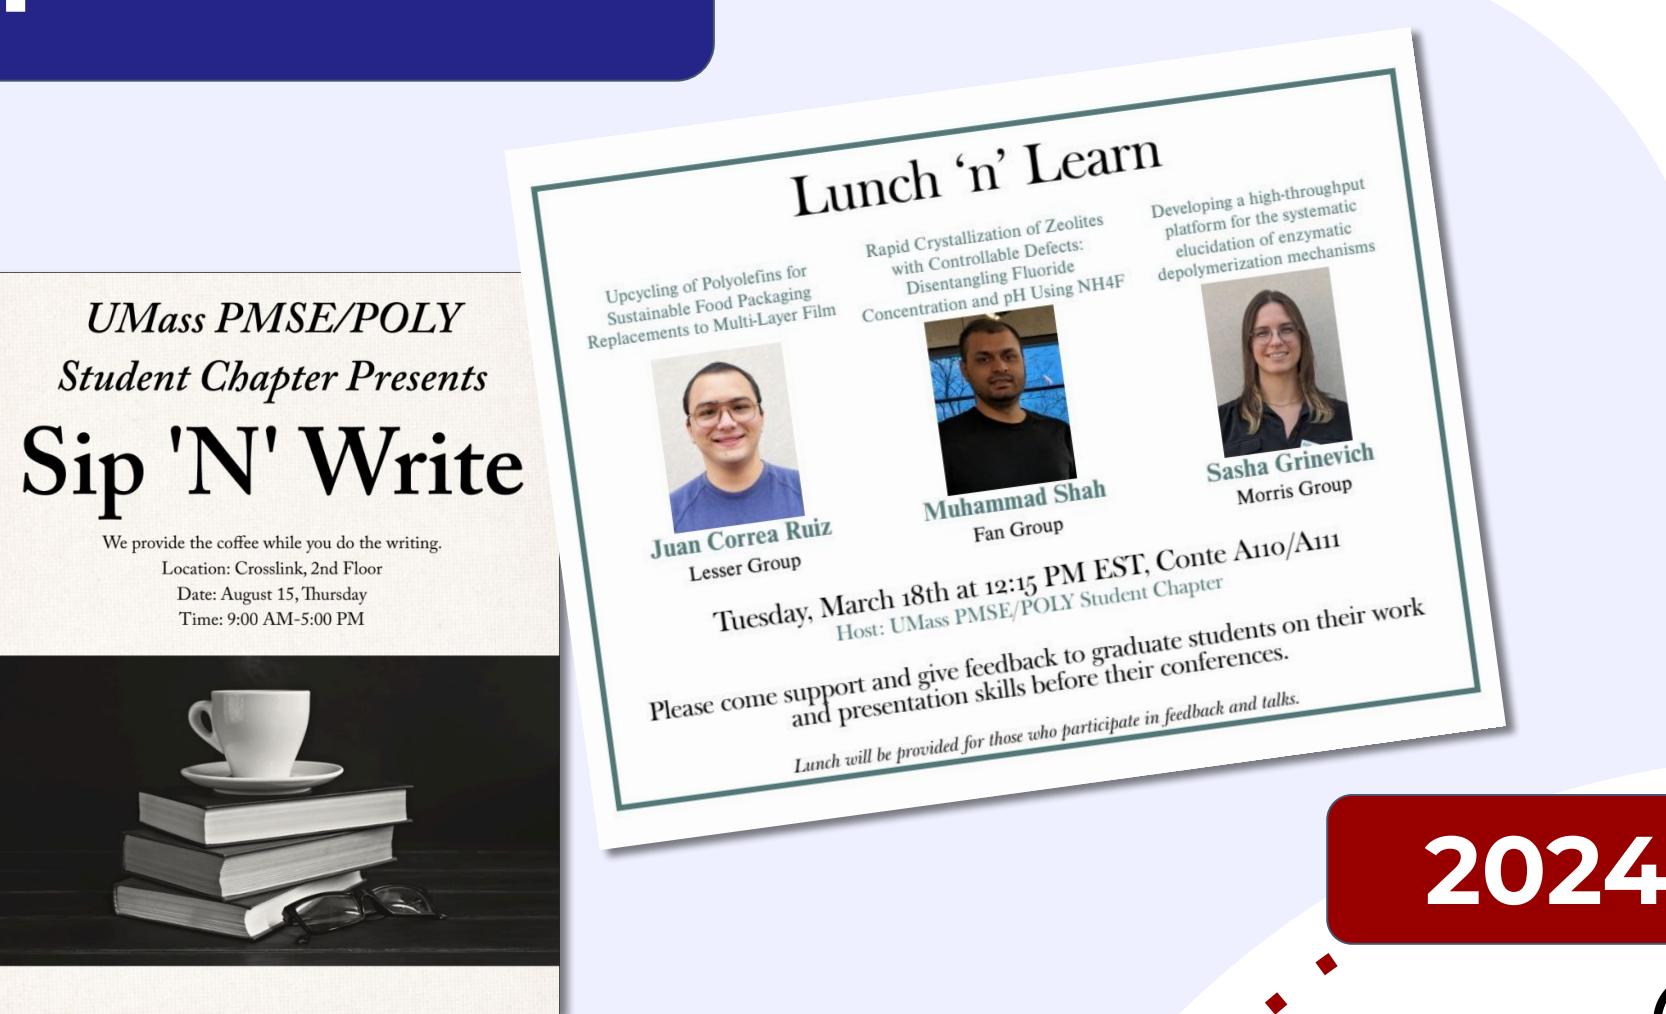

Mission

“To provide networking and professional development opportunities to students and postdocs in polymer and polymer-related fields at the University of Massachusetts Amherst, and engage in local, regional, and national activities.”

Postdoc Members

Science & Education

- Classic events such as **Sip 'n Write** provided a designated space for students to get writing done.
- In the Spring, we hosted multiple **Lunch 'n Learn** events, creating a platform for members to prepare for conference presentation and share their work with the community.

- We hosted **new workshops** to teach important skills beyond the lab such as **public speaking, presentation design, and figure design software**.

Officers

Michelle Gross

President-Elect
magross@umass.edu

Jennifer Quigley

Vice President-Elect
jquigley@umass.edu

Karan Sagar

Secretary-Elect
ksagar@umass.edu

Brennan Coleman

Treasurer-Elect
bfcoleman@umass.edu

Luying "Louise" He

External Liaison
luyinghe@umass.edu

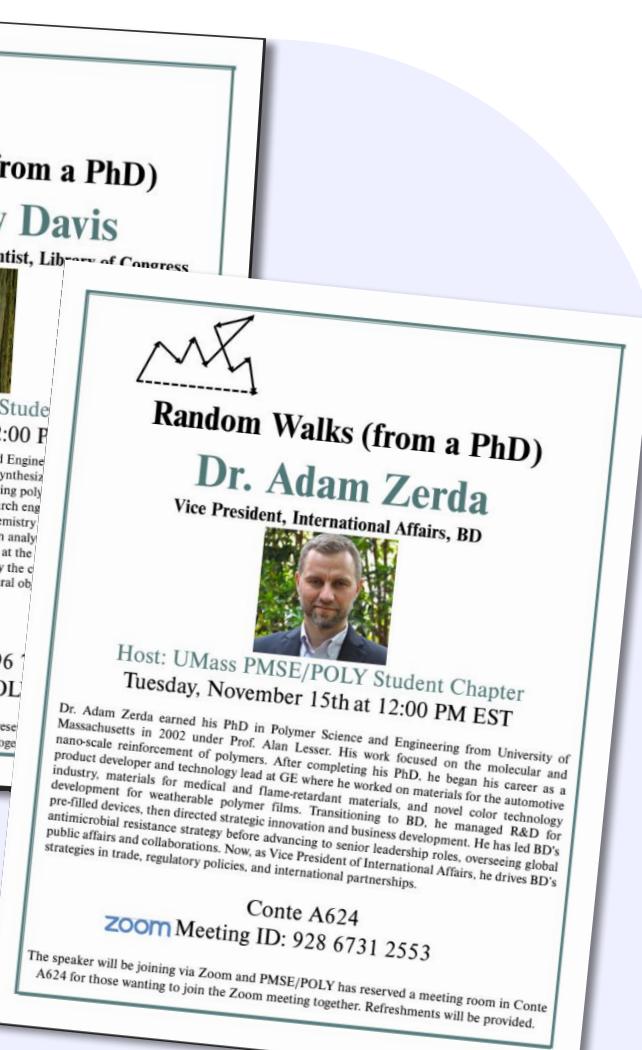

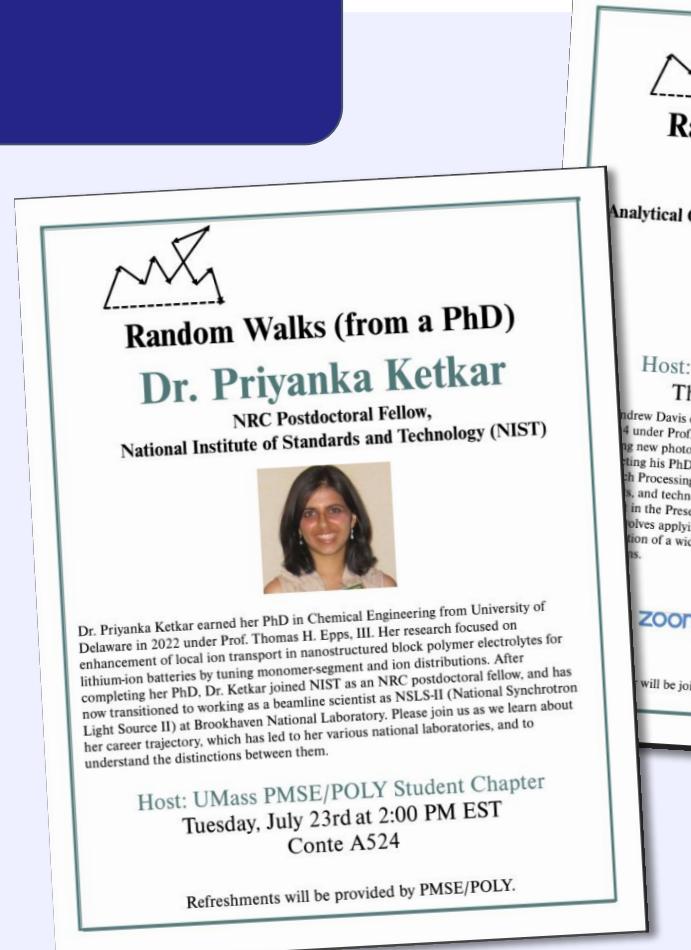

Faculty Advisor

Prof. Todd Emrick

tsemrick@umass.edu
umass.edu/polymer-science/emerick-research-group

Outreach & Networking

- The **Random Walks Seminar Series** highlights “non-traditional” career paths for students after receiving a PhD

- Our **Research Art Show** gave members a chance to share and communicate their work in a new and creative way!
