Student Chapter Updates

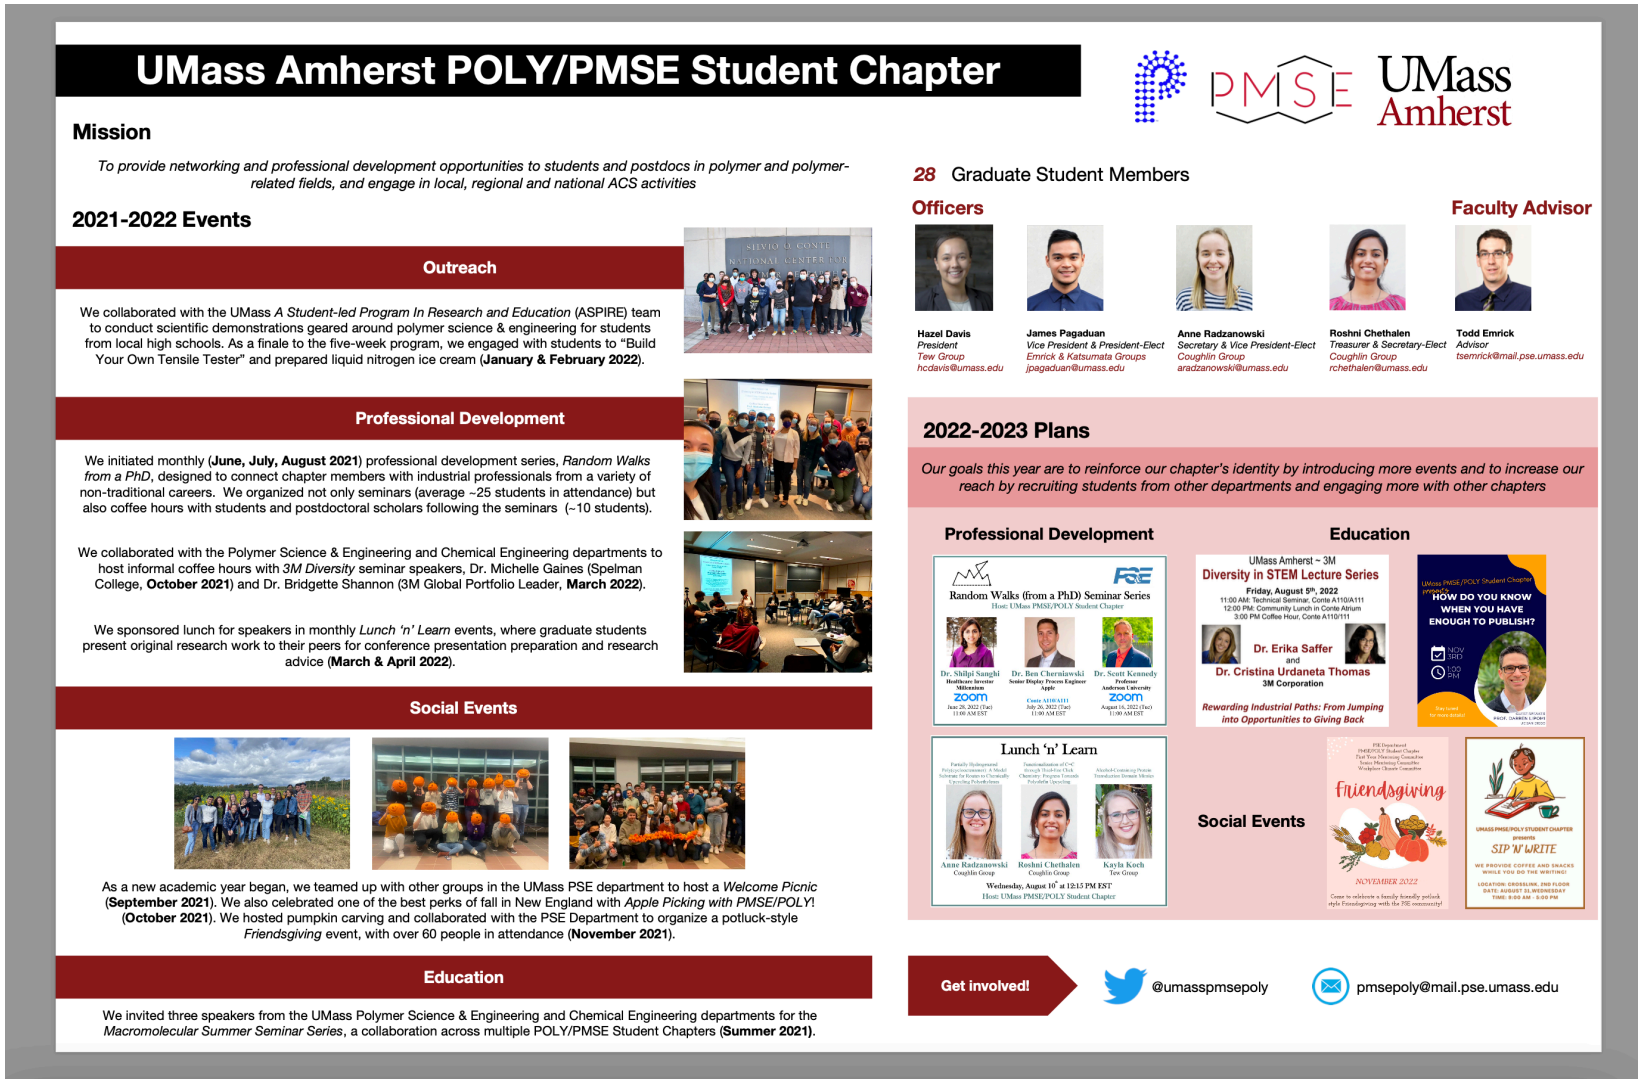
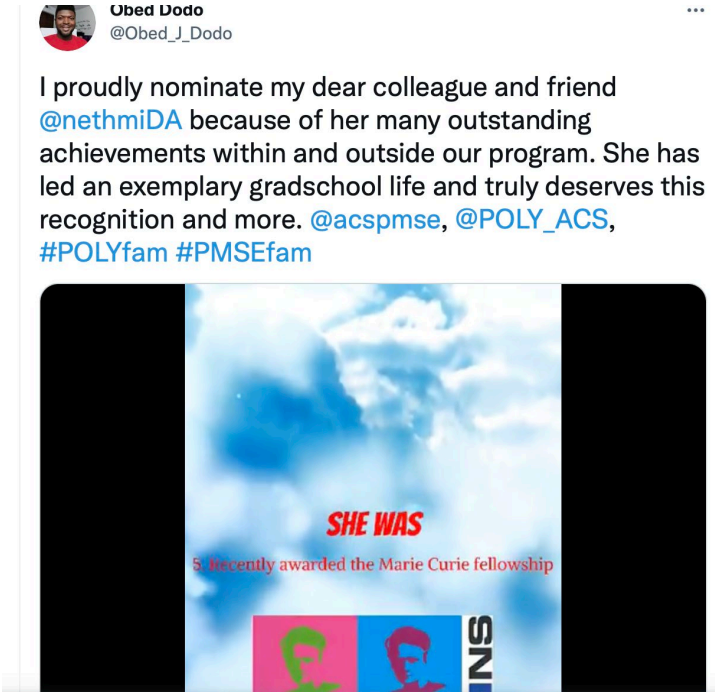
- 10 chapters submitted their annual report using the new poster template
- We propose to print the top three posters to display at ACS Indianapolis
- We sent a bump up in funding (using remaining IPG funds) to all chapters that submitted

1st: University of Minnesota
2nd: TAMU
3rd: Umass



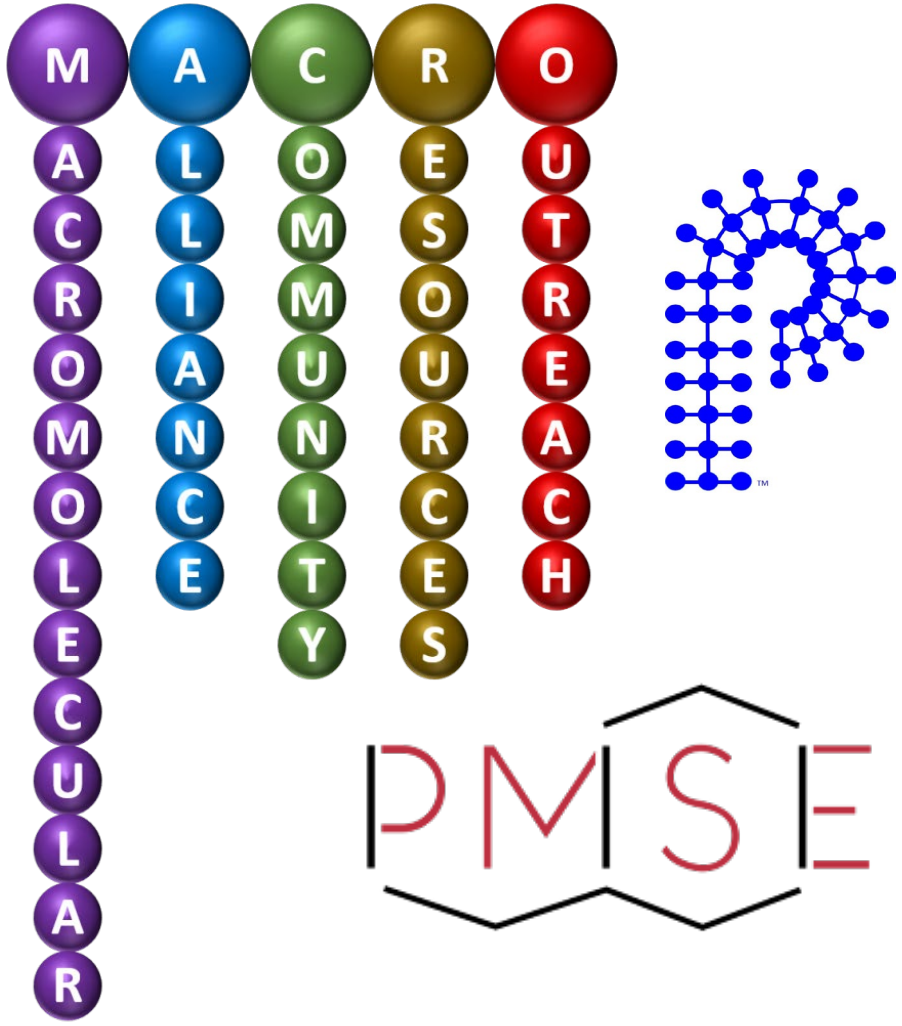
Outstanding Graduate Student Peer Nomination

- Annual peer nomination award
- Offering 2X awards, $250 each
-
- Just launched announcement, award closes on February 14
- Membership committee will be judges



Polymer Science Demo Competition

- Polymer science lab/classroom demo competition where members design a polymer science education demo, film the demo, and upload the video to social media platforms
- 2X winners will be selected and receive travel awards for ACS San Francisco
- Selection criteria
  - Must be a POLY and/or PMSE member
  - Number of likes on the video
  - Number of shares of the video
  - Scientific impact
  - Other suggestions?
- MACRO has confirmed support and PMSE will match funds



Membership drive activities – ACS Indianapolis

- We did see a small bump up in membership after Chicago
- Attending the poster sessions and recruiting members using the pins and seed cards really did work!
- For Indianapolis:
  - Have cupcakes/cookies at the POLY membership table
    - Asking membership committee to help with this
    - This was added to 2023 budget
  - Have more freebies at POLY table to give away
    - Using membership budget
  - Need folks to go to the poster session! (I will not be there)

ACS Indianapolis:
Monday Night – SciMix
Tuesday Night – Poster Session

POLY Membership

Is it time to do something bigger than POLY?
